

How to book an appointment or event online with USchedule:

First you will need to log in. If you have been given a user name and password, simply click “Login” on the USchedule page and enter your login information. If you do not have a user name and password you will need to register as a customer by clicking the “Register Now” button.

Once you are registered and logged in you can begin making appointments and registering for events online.

Click “Book Appointment” and find the appointment or lesson you wish to book. To browse and register for events, click “View Events”

For more help with booking and managing your user account please click the “Help” button to see all help topics.
